**DEFENDANTS' LOCAL CIVIL  
RULE 56.1 STATEMENT OF  
UNDISPUTED MATERIAL FACTS**

12 Civ. 0028 (CM)

----- X

Pursuant to Rule 56.1 of the Local Civil Rules of the United States District Court for the Southern District of New York, defendants City of New York, Captain Baiarde, Corrections Officer Payne, Correction Officer Andino, Captain Petty, and Corrections Officer Soto, by their attorney, Michael A. Cardozo, Corporation Counsel of the City of New York, hereby submit the following statement of material facts that are not in dispute:

1. Plaintiff was incarcerated in the MOD 2 South housing area at the Robert N. Davoren Center (“R.N.D.C.”) on Rikers Island for twenty-six days, from November 7, 2011 until December 2, 2011. Second Amended Complaint (“Compl.”) II.D; Declaration of Mark Galen Toews (“Toews Decl.”) Exhibit (“Ex.”) A at 36:20-24. Plaintiff is currently incarcerated at Attica Correctional Facility in Attica, New York. Dkt. #50.

**Plaintiff's Failure to Exhaust the Available Administrative Remedies**

2. On October 21, 2011, Plaintiff was provided with a copy of the Inmate Handbook. Declaration of Antonio Cuin (“Cuin Decl.”) at ¶ 5 and Ex. B. Plaintiff acknowledged receipt of the Inmate Handbook with his signature. See id.

3. The Inmate Handbook explains the five steps of the IGRP. Id. at ¶ 4 and Ex. A.

4. Those steps are also explained in the New York City Department of Correction (“DOC”) Directive 3375R-A. Declaration of Kimberly Johnson (“Johnson Decl.”) generally and at Ex. A

5. First, an inmate must submit a complaint to the Inmate Grievance Resolution Committee (“IGRC”), on an Inmate Grievance Interview Slip or Inmate Grievance Form, which inmates can obtain through IGRC staff, Housing Area Officers, the Law Library, and the Counseling Office. Cuin Decl. at Ex. A; Johnson Decl. generally and at Ex. A. In the event that an inmate cannot access a Grievance form, the inmate can write his complaint on any paper. Id. Inmates must submit their grievances to the IGRC within ten days of the incident or issue they are complaining about. Id. The IGRC then investigates the inmate’s grievance and tries to resolve the grievance informally. Id.

6. Second, if, after submitting a grievance, an inmate either (a) is dissatisfied with the IGRC’s proposed informal resolution or (b) does not receive a response to his grievance within five days, the inmate may request a formal hearing. Id.

7. Third, if, after a formal hearing, the inmate is not satisfied with the determination from the hearing, he can appeal the hearing decision to the Warden. Id.

8. Fourth, if, after appealing to the Warden, the inmate is not satisfied with the Warden’s decision, the inmate may appeal to the Central Office Review Committee (“CORC”). Id.

9. Fifth and finally, if after appealing to the CORC, the inmate is dissatisfied with the CORC’s decision, the inmate can appeal to the Board of Correction (“BOC”). Id.

10. Certain issues, such as complaints of assault or harassment by a DOC staff member, are not considered grievable. Id. If an inmate is not sure whether his complaint is

grievable, the Inmate Handbook directs the inmate to file a grievance so that the IGRC can determine whether the complaint is grievable. Id.

11. The Inmate Handbook informs inmates that “If you do not receive a response to your grievance at any step of the Grievance Procedure within the time period required in Directive 3375R-A, you may proceed to the next step of the Grievance Procedure.” Cuin Decl. Ex. A.

12. The Inmate Handbook also notifies inmates that “More detailed information on the timeframes and process for all the steps in the procedure is included in Directive 3375R. Copies of this Directive are available at the Grievance Office and the Law Library.” Id.

13. Plaintiff admits his knowledge of the IGRP procedure. Compl. ¶ IV.B. He further testified that “when we asked for the grievance, they [correction officers] said fill it out and give it back. So that’s what we did.” Toews Decl. Ex. A 35:16-18.

14. During the relevant time period, while plaintiff housed in R.N.D.C., plaintiff testified that he submitted “a couple” grievances, “it was three or four,” to Correction Officers at R.N.D.C. Toews Decl. Ex. A at 36:1-2; Compl. ¶ IV.D.

15. Instead of pursuing the above grievances through the five-step IGRP procedure, Plaintiff elected to contact 311, through a third party, to report the alleged conditions of MOD 2 South. Compl. VI.G; Toews Decl. Ex. A at 31:18-32:8.

16. Plaintiff did not pursue any of the submitted grievances beyond the initial step and submitted no appeals of any of the grievances. Toews Decl. Ex. B.

**The Conditions of Plaintiff's Confinement**

**Temperature**

aside from simply stating: "it was very cold," "it was real cold," "too cold." Id. at 26:7, 26:12, 24:22

25. MOD 2 South has windows and that remained closed for entire twenty-six day period of Plaintiff's stay in MOD 2 South. Id. at 27:1-3. Plaintiff's assigned bed in MOD 2 South was not near any of the windows. Id. at 27:4-11.

26. In addition, certified copies of meteorological records from the National Climatic Data Center for the weather at LaGuardia Airport in November and December 2011 ("Weather Records") reveal that the eternal temperatures during the relevant time period were particularly mild. Toews Decl. at Ex. C.<sup>1</sup>,

27. During the months of November and early December 2011, temperatures fell below 40° on only five occasions. Id. (37° on November 18, 39° on November 19, 39° on November 24, 38° on December 1 and 39° on December 2). The maximum temperature fell below 50° on only two days of the entire twenty-six day period of Plaintiff's confinement in MOD 2. Id. (49° on November 11 and 46° on November 18). The average temperature was below 48° on only six days. Id. (46° on November 11, 42° on November 18, 45° on November 19, 47° on November 24, 44° on December 1, and 46° on December 2).
